Northeast Animal Hospital
RELEASE FORM

- All pets entering the hospital must be current on the following: Annual Distemper, Rabies (1 year or 3 year), and annual heartworm test. In addition, an intestinal parasite screening and Bordetella vaccine must have been completed within the last 6 months. If any vaccines are due, you will be notified at the time of drop off. Pet(s) must be free of fleas and ticks and current on flea and tick prevention or pet(s) will be treated on admission at owner's expense.

- If medications are necessary for treatment or handling, I give my permission to Northeast Animal Hospital to administer such medications.

- The staff of Northeast Animal Hospital is to use reasonable precautions against injury or escape of the animal(s), but the staff will not be held liable or responsible in any manner whatsoever, or otherwise in connection therewith, as it is thoroughly understood that I assume all risks.

- Pets are released only during regular business hours. I realize that it is my responsibility to notify Northeast Animal Hospital if I am delayed or otherwise unable to pick up my pet on the date specified below. Written notice will be mailed to the above address if the animal is here longer than the designated time. Five days after such written notice, the animal(s) will be considered abandoned and discharged to Animal Services, and it is understood that our doing so does not relieve me from paying all costs of your service and the use of your hospital.

- I authorize Northeast Animal Hospital to do whatever the Doctor deems necessary in case of illness or an emergency situation.

- If necessary, I authorize the use of sedation during grooming for an additional $40.
