PET SPA MENU

Spa Bath (Priced by Breed)

We wash your "fur baby" with top-of-the-line shampoos that have been specifically selected for their coat and skin care properties. In addition, your pet's nails are clipped and ears are cleaned.

Deluxe Groom (Priced by Breed)

Our Deluxe Groom includes a [Spa Bath](#), as well as a cut and style of choice—to your specifications—with the best quality tools. Anal glands will be expressed, if desired.

We provide plenty of loving care to ensure a positive and fun experience for your pet. The pampering continues when your fur baby relaxes in his or her own suite, complete with a cozy bed.

Additional Spa Services (See reverse side)

Reservations are preferred. Pets must be up-to-date on vaccines [Canine Influenza (H3N8 and H3N2), DA2PP, Bordetella (within 6 months), Intestinal Parasite Screening (within 6 months), Leptospirosis (L4), and Rabies] and flea & tick prevention (within 30 days), which can be administered on arrival.
